Missing Veteran Names – We welcome additions

The above list is incomplete. We welcome additions from the public, as long as the veteran had some connection with Gloucester.

Gloucester includes all former territories that were annexed into the City of Ottawa at various times. This includes of Alta Vista, Billings Bridge, Elmvale Acres, Hunt Club, Manor Park, Manotick (Gloucester portion), Mooney's Bay, New Edinburgh, Orléans (Gloucester portion), Overbrook, Rockcliffe Park and Vanier (Eastview).

To add a veteran, simply send us an e-mail at english@gloucesterhistory.com.

We are looking for the following information:

1. Name of Veteran
2. The war in which he or she served. This may include any war up to and including the Korean War and also the 1870 and 1885 Northwest rebellions.
3. The Gloucester neighbourhood in which he or she lived (Optional)
4. Branch of the Armed Forces in which he or she served (Optional)
5. Rank (Optional)
6. Let us know if he was "Killed in Action": We will record the battle and the date of death when provided. (Optional)
7. Photograph of the Veteran, preferably in uniform (Optional)
